

For a hundred years, the Sanford Unitarian Universalist Church has welcomed the world to a street corner in Maine with an invitation to “stand on the side of love.” Our history abounds with demonstrations of religious freedom, social justice and community service.

But to survive and flourish in today’s world, the church needs to open its doors even wider to the community. The Second Century Campaign is the church’s strategy for making itself fully handicapped accessible, more functional to outside groups and more energy efficient and green.

Please give generously and demonstrate how you “*stand on the side of love.*”

Standing on the Side of Love

...Once Again.

SANFORD
UNITARIAN UNIVERSALIST
CHURCH

Religious Freedom

Social Justice

Community Service

Please give today *and let us stand on the side of love together!*

Our goal is to raise \$200,000 for the following building improvements:

1. Remodel the parlor to make the bathroom handicapped accessible and the space multi-functional for food service, small performances and outside gatherings.
2. Replace an obsolete roof and heating system with green features.
3. Make the four levels of the church: sanctuary/parlor, Goodall Hall, vestry and nursery—handicapped accessible from inside the church building.

How the money would be spent:

PHASE I	
Parlor remodel	\$15,000
Replace roof	\$30,000
PHASE II	
Replace heating system	\$80,000
PHASE III	
Full handicapped accessibility	\$69,000
Town Hall Auditorium renovations (estimate)	
	\$6,000
<hr/>	
GRAND TOTAL	\$200,000

With your participation, the Sanford UU Church can transform our building for the 21st century. Let's give this gift and open our doors even wider to the community.
